OREGON GOVERNOR, AIDES FOUND DEAD

Two More Film Writers Cited for Contempt

PRIVATE PLANE CRASH KILLS THREE OFFICIALS

REDS MAY BE LINKED TO ATOM BOMB ESPIONAGE

Testimony Of "Mystery Witness" Awaited At Hollywood Probe

WASHINGTON, Oct. 30—Ring Lardner, Jr., Hollywood writer and son of the famous American humorist, today was cited for contempt of congress in refusing to declare whether he is a member of the Communist party.

Also cited for contempt for the same reason was Lester Cole, another Hollywood writer. This brings to ten the number of contempt actions instituted by the house un-American activities committee conducting the Hollywood investigation.

The citations were ordered as testimony of a "mystery witness" linking the Communist party to atom bomb espionage was expected momentarily.

Committee Chairman Thomas (R) N. J., announced that the sensational espionage testimony would be presented during the day.

The committee received evidence that both Lardner and Cole are Communist party members.

Lardner, in an impassioned statement, declared that all he has done or written has been in keeping with the spirit of his late father and his two dead brothers.

THE WITNESS, who collaborated on the screen version of "Forever Amber," assailed censorship which he charged the committee is attempting to impose. He declared: "If we yielded to the sort of censorship we have heard proposed, a leading man wouldn't even be able to blurt out the words 'I love you' unless he had first secured a notarized affidavit proving she (the girl) was a pure, white, protestant"

100 MILE AN HOUR TYPHOON STRIKES SAMAR

MANILA, Oct. 30—A typhoon, with winds of more than 100 miles an hour in velocity, hit the Central Philippine island of Samar today.

Advent of the storm was reported by the U. S. Navy's weather bureau which said the gale was expected to pass south of Manila and that the capital may feel some of its effects.

ONE MAN'S OPINION

By Walter Kiernan

Moon blue and sun gold are among the new shades for men —this is our answer to the "new look."

It also is predicted that we will wear hats "with a sharp upward curl in the back" —pheasant feathers and lace cuffs will come later.

In all probability knee breeches and the beard will return unless some future Peter the Great halts the trend.

Peter the Great was the Russian czar who put a tax on beards —much legislation has had teeth in it, but this was the first bill that had whiskers on it.

The day the law passed, droshkies were hub-cap deep in sideburns.

One Russian meeting another Russian said "Ivan—your face is clean — what happened?" Ivan said, "Ah yes, my beard was sold for taxes."

Fellow says, "how is your wife taking it?" he said, "terrible—hers was sold, too."

RETIRED chief of the Army Air Forces, Gen. Henry (Hap) Arnold, displays new decoration he received from the Chinese government at ceremony held in New York.

RICH DOWAGER ADOPTS GENERAL

Tobin, 57, Becomes Only "Child" Of Prominent Newport Woman

NEWPORT, R. I., Oct. 30—A retired Army general admitted today he has been adopted by an 80-year-old prominent and wealthy Newport dowager.

Brig. Gen. Ralph C. Tobin, USA (Ret.), 57, became the only "child" of Mrs. Hamilton Fish Webster less than two weeks ago. Legal proceedings were carried out in secrecy at Pen Craig, the Webster showplace estate.

Mrs. Webster, whose husband died in 1939 and left her an estate of \$1,250,000 in trust as well as lifetime occupancy of the \$120,000 Pen Craig estate, is reported ill and confined to her bed.

Gen. Tobin, who stands to inherit Mrs. Webster's personal fortune should she die, told newsmen:

"I originally opposed adoption, but Mrs. Webster insisted." He would not elaborate on this statement.

Legal circles said that Tobin will not share in the estate left in trust to the widow by her husband.

Mrs. Webster is the former Lina Post, a cousin of Emily (Price) Post, the authority on etiquette and related by marriage to New York's ex-congressman Hamilton Fish.

Gen. Tobin, a bachelor, is widely known in New York and Newport social circles. He retired after service in both World Wars. He was awarded the Silver Star during the First World War.

BELATED FALL GETS IN FULL SWING IN OHIO

Ohio's belated fall season was in full swing today as the weatherman forecast a continuation of cloudy and cooler conditions for most of the state. High temperature in Pickaway county Wednesday was 55 degrees.

Cleveland recorded its heaviest rainfall in months yesterday when 1.25 inches of rain fell. Columbus followed with the next heaviest fall, a total of .62 inches. In Circleville .34 inches fell.

The U. S. weather bureau predicted partly cloudy conditions tomorrow with some rise in temperatures in the afternoon. The east portion of the state was to receive some rain today, the forecaster added, but precipitation was expected to be light throughout the day.

UNIFIED DRIVE AIMS TO BALK GAS TAX FREEZE

Soldier Bonus Amendment So Far Drawing Only Token Resistance

By International News A unified campaign against the proposed Constitutional amendment to freeze all gas and auto tax revenues for street and road purposes appeared in the making today.

The amendment is one of four to be presented to the voters at next Tuesday's election. It appears to be the only one, so far, to draw more than token resistance.

Fred J. Mourey told a district meeting of the junior order of United American Mechanics last night at Shelby that:

"You can be certain that the best interests of the state are threatened when it becomes necessary for such divergent interests as the Ohio Chamber of Commerce, the Ohio Farm Bureau, the Ohio Association of Real Estate Boards, and the Ohio Education Association to band together to fight this proposed tax steal."

The amendment also is opposed by Governor Herbert.

Meanwhile, the Ohio State Bar Association's executive committee followed the example of most of the local lawyer groups in the state by endorsing a second proposal to increase the terms of probate judges from four to six years and to leave it to the legislature whether they shall be paid from state or county funds. At present the constitution provides that counties shall bear the entire cost. No opposition has arisen to this proposal.

THE OTHER two amendments call for a \$300,000,000 soldier bonus and for the addition (Continued on Page Two)

STASSEN OFFERS FIVE POINTS TO PREVENT WAR

LONG BEACH, Cal., Oct. 30—Harold E. Stassen, aspirant to the Republican nomination for President, held out five major points today for the nation to avert a third World War.

The former governor of Minnesota said the United States should:

Maintain a strong domestic economy with high production and fair distribution.

Take essential steps to prevent economic crisis and crashes in America.

Clear up Communist infiltration in our country with full respect for constitutional rights and liberties.

Keep America strong in a military sense.

Grant generous aid to the stricken peoples of the world.

Stassen said:

"If we remain strong in a military sense so that we do not tempt others to seek a decision by force, there is an excellent likelihood that this basic struggle will be resolved on the economic, social and ideological fronts and will never be an issue in the grim and tragic holocaust of a Third World War."

C & O SETS NEW RECORD FOR FREIGHT LOADING

CLEVELAND, Oct. 30—The Chesapeake and Ohio Railway company loaded 5,773 cars Oct. 28 to set a new daily record. President Robert J. Bowman announced today.

The previous daily coal loading peak was 5,745 cars last May 28. The weekly record of 31,958 cars was set last January.

Bowman said the C and O has managed to increase loadings by maintaining adequate empty car supplies and by schedule which rapidly return empty cars to the coal fields.

Found Dead

OREGON'S governor, Earl Snell, who was found dead in the wreckage of a private plane Thursday afternoon near Dog lake in Southern Oregon. With his body were found those of M. E. Cornett, president of the senate, R. S. Farrell, Jr., secretary of state, and the pilot. They disappeared when flying on a hunting trip.

RAMADIER MAY RIDE OUT STORM

French Socialist Premier Seen As Likely Victor In Confidence Vote

BULLETIN PARIS, Oct. 30—France's national assembly accorded Premier Paul Ramadier a new vote of confidence tonight.

Ramadier's government policy won out by a vote of 300 to 280.

PARIS, Oct. 30—Socialist Premier Ramadier faced the prospect of squeezing through by an extremely small margin—possibly not more than 20 votes—when the French assembly decides the fate of his middle-of-the-road cabinet today.

The left rally decided on its voting policy at a strategy meeting this morning. It was learned the Radical Socialist will divide their votes as follows: 14 for a vote of confidence, 12 against and four abstentions.

A majority for Ramadier was considered possible with Socialist and Popular Republican support.

But discipline is not strong among the Left rally members and some in the "anti" column may bolt to Ramadier at the last moment.

The Communists are expected to oppose him, having leveled increasingly bitter attacks against the government and the Marshal plan.

It was believed the severe Communist attacks against Ramadier, the new power of the De Gaulleists, Tuesday night's Communist clashes with police and last night's threat of a new Communist riot, all had helped swing the vote to Ramadier.

VETS LOSE JOBS FASTER THAN HIRED, IS CLAIM

WASHINGTON, Oct. 30—Rep. Rees (R) Kan, chairman of the house civil service committee, charged today that executive agencies of the government are firing veterans faster than they are hiring them.

Rees asserted that reports from the presidential agencies disclosed that in the first nine months of this year, nearly 50,000 more veterans were dismissed from government jobs than were hired.

Rees declared:

"Veterans, who were promised and have every right to expect job security are feeling the full brunt of the reduction-in-force programs of the agencies."

NEW FOREST FIRE WARNINGS SOUND IN EAST

Real And Artificial Rain Fail To End Danger In New England

BOSTON, Oct. 30—Disappointed fire officials in three New England states issued new forest fire warnings today after real and artificial rain failed to end the danger.

Only in Vermont were the woods so wet down that Gov. Ernest W. Gibson lifted the ban on hunting and entry into the woods.

Less than a half inch of rain fell yesterday in Maine, New Hampshire and Massachusetts—the areas hardest hit by the drought.

This included the south-central New Hampshire district which was visited yesterday by two B-17 bombers from which Army - Navy - General Electric scientists dropped 400 pounds of dry ice to superinduce rain.

Fire officials said that although the fire near Peterborough, N. H., now is under control the forest fire peril has not ended. Fires are merely easier to control.

THE SCIENTIFIC "Operation Cirrus" dropped dry ice from a point southeast of Montpelier, Vt., to near Concord, N. H., then flew east about 30 miles north of Laconia, N. H., and southwest to Peterborough.

Matter-of-fact New Englanders remarked tersely that "it rained all over" when told about the dry ice experiment.

They were just a little skeptical because it rained where the rain-planes went — and also where they didn't.

The U. S. weather bureau at Boston neatly ducked any comment on the artificial rainfall in view of the fact that its superiors in Washington were officially interested.

NEWSPAPERS were equally cautious. They admitted that it may have rained a little harder in New Hampshire—but no one could be quite sure.

SOLONS BEGIN INQUIRY INTO GALION STRIKE

GALION, O., Oct. 30—A congressional subcommittee investigation of the ten-week-old north Electric Company strike at Galion began today.

Reps. Clare Hoffman (R) Mich., and Walter Brehm (R) Ohio, arrived yesterday to prepare for the hearing today. Both are members of the house education and labor committee.

The CIO - United Automobile Workers struck the Galion plant to back up their demands for union recognition and a wage increase. Negotiations have been stalemated, reportedly by the union's refusal to submit the bargaining issue to a secret vote of employees.

The plant was the scene last week of an eight-hour siege of 375 workers who returned to work and were prevented from leaving the plant until a state observer arranged a truce.

SALES TAX REVENUE CONTINUES TO CLIMB

COLUMBUS, O., Oct. 30—Sales tax collections continue to mount.

State Treasurer Don H. Ebright reported today that sale tax receipts for the week ended Oct. 18 totaled \$2,310,000, more than 325 thousand dollars above the same week of last year.

Collections to date this year total more than \$5 million dollars, 13 millions better than the same period in 1946.

CHARGES OF CONSPIRACY may be placed against Robert W. Kenny, counsel for 19 Hollywood screen writers, actors and directors, and Alvah Bessie, one of the four movie writers cited for contempt following refusal to answer questions of whether or not they are Communists at the House un-American activities probe of Hollywood Communism. The committee is investigating report that Kenny advised witnesses to refuse to answer questions.

Reece Says McGrath, New Democratic Chief, Is Rhode Island Red

WASHINGTON, Oct. 30—GOP Chairman Carroll Reece kicked the door wide open today for a fresh exchange of political charges in the eight months remaining before both parties meet in Philadelphia to pick their 1948 presidential candidates.

The Republican chief declared that the selection of Sen. J. Howard McGrath of Rhode Island as the new Democratic national

chairman shows that the Truman administration is permitting "radical groups" to control party policy.

Reece called the senator, former solicitor general of the United States, a "millionaire Rhode Island Red."

There was no immediate comment from McGrath, but a Democratic national committee spokesman retorted that Reece "has only one record which he plays and plays with the same needle."

Reece's statement was issued at about the time McGrath acted to prevent the Democratic national committee from approving a resolution which accused the GOP 80th congress of placing "partisan politics above love of country."

The successor to Postmaster General Robert E. Hannegan, who retired from the chairmanship because of ill health, was chosen with the same unanimity which marked the selection of Philadelphia for the Democratic convention.

McGrath said he will decide soon on a date for the party's nominating meeting and promptly appoint a committee on arrangements to begin work. He indicated the Democratic convention would meet early in July.

Philadelphia turned over to McGrath a certified check for \$200,000 and pledged an entertainment fund of \$50,000.

Supporters of San Francisco decided not to make an offer.

HERBERT PICKS RATCHFORD FOR EXECUTIVE POST

COLUMBUS, O., Oct. 30—Robert L. Ratchford, 30, of Columbus, was appointed today as executive secretary to Governor Herbert.

The appointment to the \$5,000 a year post is effective Saturday.

Ratchford, a member of the Columbus law firm of Joseph and McClelland, will assume the duties formerly handled by Lawrence E. Hackenberg, of Cleveland, who was switched by Herbert to membership on the pardon and parole commission August 1.

CO-ED OUSTED FROM ROOM ON COLOR ISSUE

MADISON, Wis., Oct. 30—Two University of Wisconsin co-eds charged today they were evicted from their rooming house because one of them allowed a Negro student at the university to escort her home from a party.

The other sympathized with her. Iris Alexander, a New York junior, said she was given notice by her landlords that she no longer could stay at a private rooming house in Madison.

Miss Alexander is chairman of the social relations committee of the university governing board.

The rooming house owners confirmed Miss Alexander's report.

Earl Snell, Senate Chief, Secretary Of State Tragedy Victims

BULLETIN

SALEM, Ore., Oct. 30—The bodies of Oregon Governor Earl Snell, two other top state executives, and their pilot were found today in the wreckage of a private plane near Dog lake in Southern Oregon, 54 miles east of Klamath Falls.

The plane crashed while the governor and his party were flying to a ranch Tuesday night on a hunting trip.

A TERSE message from the searching party said: "Wreckage found. All dead. Removing bodies."

In addition to Gov. Snell, the victims were State Senate President Marshall Cornett, Secretary of State Robert Farrell and Pilot Cliff Hogue of Klamath Falls.

The message announcing their deaths was cleared by Merle Lowden, supervisor of the Fremont national forest and director of the search.

Minutes later the governor's office in Salem announced that the sheriff of Lake county also had confirmed deaths of the four men.

The bodies were expected to be removed to Lakeview.

THE PLANE crashed in stormy darkness in a deep ravine. It smashed through a growth of trees, clipping the tops off of several as it plunged to earth.

Earlier reports by aerial observers who first spotted the wreckage had virtually eliminated (Continued on Page Two)

TRUMAN PAYS SOLEMN TRIBUTE TO DEAD HEROES

WASHINGTON, Oct. 30—President Truman paid reverent and solemn tribute today to the nation's sons who fell on foreign battlefields in World War II.

The chief executive, flanked by generals and admirals, stood with bowed head at Arlington national cemetery as full military honors were rendered to 20 men who laid down their lives that freedom and democracy might survive.

These 20 were the first group of the war dead now being returned to their native soil from battlefield graves overseas to be buried in the Arlington military cemetery across the Potomac from the nation's capital.

The President's attendance, together with his cabinet and the heads of the armed services, constituted a national symbol of burials in various parts of the nation of thousands of others who fell on foreign battlefields.

BANDITS HOLD UP PAYMASTER, STEAL \$110,000

BOSTON, Oct. 30—Six bandits held up the paymaster and five other employees of the B. F. Sturtevant Manufacturing Co., in Hyde Park today and escaped with a \$110,000 payroll.

The robbery occurred shortly after the plant opened for the day. Paymaster R. W. Marshall and the other employees were forced to line up against a wall by the bandits who took the money and fled.

WARNING TO YOUTHS

SPRINGFIELD, O., Oct. 30—Warning to Hallow'eeners! Five Clark county youths and their parents were slated today to appear in juvenile court Saturday morning. Sheriff's deputies said the five youths admitted burning corn and fodder valued at \$19.

U. S. FIRST LADY ABOUT SAME AS MAIN STREETER

Mrs. Truman Pictures Home As Comparing With That Of Average American

WASHINGTON, Oct. 30—Any devoted wife and mother living on Main street, U.S.A., can reassure herself today that she and the first lady of the land have a great deal in common.

In answering written questions about herself for the first time since she became first lady, Bess Wallace Truman drew a picture of a warm, closely-knit family life with a counterpart in almost every happy American home.

Asked if she worried about the President during his absence on long trips, the first lady answered with a terse "of course."

The first lady's written answers to questions disclosed that she keeps a scrapbook on the activities of the President and one on daughter Margaret, but none on herself.

While maintaining a marked reticence about her daughter, Mrs. Truman did say that the choice between marriage and a career is "entirely up to Margaret," but she would not particularly want Margaret to be a first lady.

WITH A completely feminine reaction, the first lady said that she did not believe a woman would ever become president and, furthermore, said that she herself would not want to be president.

CIO OFFICIAL SCOFFS AT RED DENIAL, OUSTED

WASHINGTON, Oct. 30—The CIO Utility Workers union announced today that a member of its executive board has been removed from office because he refused to sign a non-communist affidavit by the Taft-Hartley law.

William Pachler, the union secretary-treasurer, identified the board member as James Daugherty, who represented the organization's region five in California and other western states. Pachler said that Daugherty was removed from office by Union President Joseph Fisher after the board member refused to "show up" yesterday at a hearing to determine why he refused to sign the affidavit.

The union secretary explained that Fisher acted under a resolution adopted at the CIO convention in Boston "making it compulsory for every officer to sign the non-Communist papers."

Pachler said that Daugherty stated at the convention that he would not sign the affidavit because "his constituents forbade him to comply with" the Taft-Hartley law provision.

The union, which represents workers in the public utility industries, has about 70,000 members.

gentle of old confederate stock."

Nervously, Lardner stammered as he read his statement. This brought from Thomas the sardonic remark: "You haven't learned your lines very well."

LARDNER characterized the "proof" of his alleged Communist membership as "preposterous documents from unnamed source."

Cole was denied the right to read his prepared statement, because, Thomas ruled, it was "clearly another case of villification" and not pertinent.

The identity of the mysterious witness who was scheduled to reveal the alleged Communist atom bomb spy plot was not revealed. He is believed to be a committee investigator.

Thomas at the outset of the investigation promised to reveal evidence connecting the Communist party in America with widespread espionage.

A witness last week, John C. Moffitt, writer and critic, testified that the Communist party in New York had obtained information about the United States air forces' new supersonic plane through a Hollywood literary agent.

THE COMMITTEE went into an executive session immediately after Thomas made his announcement.

The closed session followed a brief whispered conference between committee members and Robert W. Kenny and Bartley Crum, counsel for 19 "hostile" witnesses.

When the executive conference ended, Lardner, was summoned to the witness.

TRUCK HITS COUPE AND DRIVER FACES COURT

Coupe parked by Forrest Lowe 23, of 830 Maplewood avenue, on U. S. Route 23 preparatory to making a left turn into a driveway at the Bernard Young farm, four and one-half miles south of Cincinnati at 8:45 a. m. Thursday was shoved 300 feet along the highway after it was struck by a southbound truck operated by Harold G. Hoover, 35, The truck was owned by the C. D. Kenny company, Columbus.

Although no one was hurt the rear of the coupe was demolished and the front of the truck was damaged. Deputy Sheriff Vern L. Pontious cited Hoover into the court of Justice of the Peace Harold O. Eveland to answer a reckless driving charge.

PRIVATE PLANE CRASH KILLS THREE OFFICIALS

(Continued from Page One)

ed hope that survivors would be found.

One of the ground searchers, a Dog Lake ranch employee, said he heard a crash at 11:05 p. m. Tuesday night. He said he was unable to report the crash because no means of communication was available.

The three state leaders were flying to the ranch of Oscar Kittredge to hunt geese and ducks. They left Klamath Falls at 10 o'clock Tuesday night for the 93-mile flight.

Kittredge went to the landing strip at 11 o'clock and waited an hour. When the plane failed to arrive he assumed that the flight had been postponed.

YESTERDAY morning he called Mrs. Cornett to ask whether the hunting trip had been postponed. His call set off a far-flung search in which more than a score of planes, including six Army craft, braved heavy rainstorms and lowering clouds.

The wreckage of the plane was sighted near the California border, three miles west of Dog Lake, 54 miles east of Klamath Falls.

Between 40 and 50 men plunged into the woods, seeking the ill-fated craft. The first ground party had been forced to turn back to a rutted logging road that twists through the area and was reinforced by 18 more men before it drove into the wilderness for the second time.

Gov. Snell, who was 52, was serving his second term as chief executive of Oregon. He first won prominence when he was elected to the state legislature in 1928, 1930 and 1932 before being named speaker of the house in 1933.

The next year he was elected secretary of state. He served in that post until 1942, when he became governor.

SMOKING BAN FINALLY LIFTED IN FORD PLANT

DETROIT, Oct. 30—One of Henry Ford's most rigid rules—no smoking—was lifted today by his grandson, Henry Ford II, president of the Ford Motor Company.

The company announced that beginning Nov. 15 smoking will be permitted in Ford plants and offices throughout the nation. Women office workers will not be allowed to smoke. Henry Ford abhorred tobacco, particularly cigarettes.

FINDS PRICES TOO TOUGH

TULSA, Okla.—Members of a Tulsa policemen's organization plan to ask the city commission to let them establish a co-operative food-buying agency to offset the high cost of living. The policemen, members of the Fraternal Order of Police, said if the commission denied their request they would ask for a pay rise.

Thomas Hood, English poet (1799-1845), is best remembered for his poems, "Eugene Aram's Dream," "Song of the Shirt," and "Bridge of Sighs." They are said to be among the most perfect poems of the English language.

Thomas Hood, English poet (1799-1845), is best remembered for his poems, "Eugene Aram's Dream," "Song of the Shirt," and "Bridge of Sighs." They are said to be among the most perfect poems of the English language.

When the Wasps, women flyers' organization, was disbanded in 1944, the "Order of Fifinella" (a lady goblin), was founded. There are nearly 1,000 "Fifis" in the organization in the United States today.

Arrested for stealing a briefcase this latest time, McNeal gave a plaintive, three-word excuse to Judge Frank M. Gusweiler: "I can't work."

Some time ago McNeal was committed to a home, but was ordered to leave by home officials because he couldn't resist "plying his trade."

CHANGE MADE IN HALLOWEEN PARADE ROUTE

Change in the announced line of march of the Halloween parade Friday night was announced Thursday by Don D. Henkle, chairman of a Chamber of Commerce special committee in charge of the Halloween program.

The parade will form on Watt and Pinckney streets at 7 p. m. and will move promptly at 7:30 o'clock. The line of march will be south on Court street to the Circleville High school athletic field where the judging will take place. Awards will be given for the most colorful and most grotesque costumes.

It had originally been announced that the procession would wind up in the Ted Lewis park for the judging. Henkle said the park is too wet and muddy and this necessitated the change in plans.

SON OF HITLER'S DEPUTY FUEHRER HELD BY YANKS

VIENNA, Oct. 30—Martin Bormann Jr., the son of Hitler's deputy fuhrer, was arrested by Austrian police last Monday.

Bormann was turned over to American occupation authorities. Young Bormann, 18, had assumed the name of Bergmann. He was working as a farmhand at Kirtchenal, a village near Salzburg in the U. S. zone.

Martin Bormann, Sr., who was sentenced to death in absentia at the Nuremberg trials, has been the object of one of the greatest man-hunts in history.

Deaths and Funerals

SAMUEL L. JONES

Samuel Levin Jones, 82, retired farmer and life-long Pickaway county resident, died at 11:45 p. m. Wednesday in his home at Williamsport. Death was attributed to complications.

Mr. Jones was born Sept. 25, 1865 in Jackson township, the son of John Jones and Nancy Montgomery Jones.

He is survived by a sister, Miss Bertha Jones, Williamsport.

Funeral services will be conducted at 2:30 p. m. Saturday at the Hill funeral home at Williamsport. The Rev. J. H. Sudlow will officiate. Burial will be in Forest cemetery at Circleville.

of the governor and the secretary of state to the state board of sinking fund commissioners which would administer the veterans' grant.

The bonus, a maximum of \$400 to be paid on the basis of \$10 for each month's domestic service and \$15 for each month overseas, requires approval of the voters because the state is barred by the constitution from going into debt more than \$75,000. It is being backed by most veterans' organizations.

The bonus would be financed partly by earmarking the first million dollars a month to come into the state treasury and partly by an increased tax on real estate. The necessary bonds would be retired in 15 years.

NEW HEM LINE GAINS OKEH OF STUDENTS

LEXINGTON, Ky., Oct. 30—

Hang on to your hats, scholars. Students at the university of Kentucky, given their chance to ballot on the old and new styles in the fair sex' skirt lengths, choose—the new.

The audience attending a Lexington style show was given the opportunity of voting on appearance of the long and short skirt lengths in shirts, coats and dresses.

It may have been partly the charm of Miss Lyde Gooding, of Lexington, whose winning creation was a three-quarter-length fur coat.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent or early passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and irreversible, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

GOP SENATOR FAVORS RETURN OF RATIONING

Solon Favors Restriction
On Food For Europe,
Opposes Price Control

WASHINGTON, Oct. 30—Sen. Buck (R) Del., has called for a limited restoration of consumer food rationing and a renewal of credit controls to halt the living cost spiral.

Buck's views on the price problem were outlined as the administration prepared to lay its long-range Marshall plan, as well as a request for emergency aid, before the special session of congress convening Nov. 17.

The ranking GOP member of the senate banking committee opposed a return of government price control, but plumped for rationing of foods needed for export—notably flour, meats, butter and lard. Buck said, however, that the country "first must be sold on the need for it."

Buck suggested that the rationing program be handled by the agriculture department, rather than by some new agency.

He added that if the administration does not move for renewal of consumer credit controls which expire Nov. 1, he will introduce a bill in the special session for that purpose.

REPUBLICANS displayed sharply divergent views on the scope of the special session called by President Truman.

Buck said he was "surprised" at the Boston statement of Sen. Taft (R) Ohio, GOP policy chairman, predicting congressional action on stopgap foreign aid by Dec. 19.

Some 24 hours after making his prediction, Taft declared in Boston Tuesday night that the Marshall plan in its present form "is beyond all reason" and offered a five-point program for price stabilization.

The Ohioan's program called for tax reduction, reduced government spending, expert control and controlled buying for exports and a plan to persuade labor to forego further wage increases.

Taft said the important job before the special session will be to set up an overall agency to all direct the domestic policy of reduced prices and to work "toward a limit of total exports and toward aid to European countries."

SEN. IVES (R) N. Y., declared that the special session should

Nimitz Gets a Tug

deal with the emergency relief program "and nothing else."

Sen. Brewster (R) Maine, said he sees no reason why the special session can not "push through" these legislative items:

1. Stop-gap aid for Europe.
2. Authority for President Truman to allocate short supply items like steel and foodstuffs needed in the foreign aid program and vital in the battle against inflation.
3. Another GOP tax reduction bill.

SEN. LUCAS (D) Ill., who conferred for an hour with President Truman Tuesday, said "it would be foolish" for GOP leaders to propose tax reduction in the special session.

The prospect for a "non-partisan" session of congress, as chairman, showed little improvement.

COUNTY SCHOOL CHIEF URGES LEVY SUPPORT

McDowell Cites Need For Funds To Assure Good Educational Program

An appeal to the voters in six townships in Pickaway county to approve at next Tuesday's election special tax levies for school support in five townships and a bond issue in the sixth was voiced Thursday by George D. McDowell, superintendent of county schools.

Declaring that the funds are badly needed Supt. McDowell said: "Whatever the voters do on election day they ought to vote for the school levies and the bond issue so that our schools can be kept at the highest degree of efficiency for the benefit of our boys and girls."

Supt. McDowell pointed out that the township school boards are handicapped in carrying on a campaign favoring the various proposals because of the fact the boards are banned from spending money for advertising the issues. In the event of such an expenditure the state examiners likely would return a finding against the boards.

FOLLOWING is a summary of the six issues to be decided at the polls Nov. 4:

Scioto Township — Proposed special 3-mill tax levy for current expenses for three years in the school district.

Muhlenberg Township — Proposed special 3-mill tax levy for current expenses for three years in the school district.

Jackson Township — Proposed special 2-mill tax levy for current expenses for two years in the school district.

Salt Creek Township — Proposed special 2-mill tax levy for current expenses for three years in the school district.

Darby Township — Proposed special 3-mill tax levy for current expenses for three years in the school district.

Walnut Township — Proposed \$225,000 bond issue, maturing over a 23-year period, to finance permanent improvements, the bonds to be retired by a special tax levy of 2.75 mills.

Each 3-mill levy is the equivalent of \$3 for each \$1,000 of taxable property.

The proposed 2-mill levies are the equivalent of \$2 for

OFFERS CHILDREN FOR ADOPTION

THREE CHILDREN of Mrs. Verna Mason, 30, are offered for adoption in Chicago as their mother, allegedly deserted by her husband, explains she is unable to properly provide for them. (International)

each \$1,000 of taxable property. The 2.75 mills is the equivalent of \$2.75 for each \$1,000 of taxable property.

Citizens in Circleville and the county who expect to be absent from the community on election day may, under provision of state law, cast their ballots at the board of elections office in the courthouse until 6:30 p. m. Monday, Nov. 3.

State election regulations also permit disabled voters to cast their ballots until 6:30 p. m. Thursday, Oct. 30.

Absent soldiers may vote any time up to and including election day.

Other "for or against" ballots to be voted on include a proposed 3-mill special tax levy on all taxable property in Circleville and Pickaway county to finance needed improvements to the Children's Home, a proposed 2-mill special agricultural tax levy for improvements to the county fairgrounds, and a proposed renewal of a 3-mill special tax levy for current expenses for five years in the village of Darbyville.

CREAM PRICES ADVANCE THREE CENTS IN CITY

Wholesale cream prices advanced three cents Wednesday in Circleville. The new figures are 78 cents for premium grade and 65 cents for regular grade. Eggs advanced one cent a dozen at wholesale. The new quotation is 56 cents. Wholesale prices of some chickens dropped a penny per pound. The new prices are springers 32 cents and roasts of 5 pounds and upward 30 cents.

FATAL RIVER BLAST LAID TO CHIEF ENGINEER

Welding Torch Touches Off
Island Queen Tragedy,
Probers Declare

ST. LOUIS, Oct. 30—A marine investigating board today blamed the September 9 explosion of the Ohio river steamer "Island Queen" at Pittsburgh, in which 19 persons were killed, on the "negligence" of the vessel's chief engineer.

St. Louis coast guard headquarters reported that the engineer, Fred Dickow of Cincinnati, one of those killed in the blast, had been welding a loose deck stanchion near bunkers containing 27,000 gallons of fuel oil when the blast ripped the huge side-wheeler.

The investigating board said that Dickow had not taken proper precautions, and quoted witnesses as saying a relatively small explosion occurred first as a result of the "careless" welding. A strong wind swept the flames through the boat, and caused the second explosion which burned the excursion craft to the waterline and for a time endangered the entire Pittsburgh waterfront.

The official report, signed by Capt. Ross G. Willoh, marine inspection office, was based on a meeting the board conducted the day following the blast at Pittsburgh.

Dickow's body was recovered from the river two days after the blast. He had been chief engineer of the Island Queen since it was launched in 1925.

THE STEAMER, said to be the largest on the Ohio River, had a rated capacity of 4,000 passengers and 90 crewmen, but only a portion of the crew was aboard when the blast occurred. Eighteen persons were injured.

The boat was used primarily for shuttle trips between Cincinnati and the Coney Island amusement park.

SOLDIER BONUS TO BE SUBJECT AT MASS MEET

World War II soldiers' bonus which is to be balloted on at next Tuesday's election throughout Ohio will be discussed and explained at a mass meeting of veterans of World Wars I and II scheduled for 2 p. m. Sunday in Memorial hall in Circleville.

The meeting has been called by the heads of all veterans' organizations in Pickaway county, and an appeal was issued Thursday to all veterans in the county to attend the session and to bring with them their wives, parents, sisters, brothers, and other relatives and friends eligible to vote.

The veterans' organizations participating are the Rainbow Veterans, headed by Adrian Yates, the American Legion, Veterans of Foreign Wars headed by Virgil Timmons, and the Disabled American Veterans commanded by Edwin Hutchinson.

Detailed instructions will be issued at the meeting as to the proper way to vote for the proposed state bonus to World War II veterans. A qualified speaker is being obtained for the meeting.

In announcing the meeting it was said that the outcome of the balloting on the bonus is highly important to World War II veterans and their families and the sponsors of the mass meeting anticipate heavy attendance.

AUCTION SALES INCREASE, BIG PRICES DROP

Volume of sales increased with hog prices lower, cattle and calf prices firm, and sheep and lamb prices a little lower, at the weekly auction held Wednesday at the yards of the Pickaway Livestock Cooperative Association in Circleville.

Sales totaled 1,411 head as compared with 1,054 a week ago.

Mac's Son a Scout

NOW an American Boy Scout in Tokyo is young Arthur MacArthur, son of Gen. Douglas MacArthur. He reads new charter which gives his pack official membership in the Boy Scouts of America. (International)

TROPHIES TO BE DISPLAYED AT BIG BARBECUE

All 4-H and Future Farmers of America youths whose entries were winners at the 1947 Pickaway County Fair in September were urged Thursday to bring their cups and trophies to the fourth annual barbecue and achievement program Saturday at the fairgrounds.

The county-wide event has been arranged by the merchants and industries of Circleville for all 4-H and FFA members and their families.

Sandwiches with beef from the grand champion steer, along with a complete lunch, will be served. The serving will begin at 11:30 a. m. and will cease at 1:45 p. m. A 35-minute program will follow.

County Agricultural Agent Larry A. Best and Home Demonstration Agent Genevieve Alley urged that the winning cups and trophies be brought to the barbecue at 11 a. m. Saturday.

The grand champion was entered at the County Fair by David Lance, Darby township and it was purchased at the auction by a group of Circleville merchants and industrialists.

Music for Saturday's barbecue and achievement program will be provided by the All County Band under direction of Richard Valentine, George D. McDowell, superintendent of county schools, will be master of ceremonies during the short afternoon program. Speakers will include A. B. Graham, Columbus, known as the father of 4-H club work; County Agent Best; Miss Alley; and Russell C. Palm, vice president of the Pickaway County Agricultural Society.

and 1,108 two weeks ago. Cattle receipts totaled 320 head as against 232 last week. Receipts of hogs were 700 head Wednesday as compared with 500 a week ago. Calf receipts totaled 104 head as against 79 last week. Sheep and lambs receipts amounted to 287 head as compared with 243 a week ago.

Following is the tabulation of Wednesday's sales:

CATTLE RECEIPTS — 320 head — Steers and heifers, medium to good 19-24; steers and heifers, common to medium 11-19; cows, common to good 12-15.30; cows, common to good 6-12; bulls 10.50-19.70.

L. M. Butch Co. "1881"

AN OLD FIRM in A NEW SETTING

L. M. Butch Co. "1947"

Formal Opening 12 Noon — Sat., Nov. 1st

Many years have passed and many changes wrought in old Circleville since L. M. BUTCH CO. started their Jewelry business on lower Main Street.

Founded more than 60 years ago and now owned and directed by the third generation of the same family, L. M. BUTCH CO., formerly located at 163 West Main Street, has moved to a new store styled in the mode of today at 115 West Main Street.

Today, as in 1881, L. M. BUTCH CO. has the same high ideal of service to the community, with stocks and facilities gauged to meet the modern demands.

The new store at 115 West Main Street in the heart of Circleville's retailing center, is modern in every respect. Greatly expanded stocks are made possible by the increased store area. Modern fixtures and lighting, a pleasant atmosphere pervades the entire establishment.

But that same community interest and friendliness that has always identified L. M. BUTCH CO. continues. This is the jewel that will attract old and loyal customers and many, many new ones to L. M. BUTCH CO.

Masquerade, Halloween Party Held At Church

32 Wesley-Weds
Enjoy Unique
Social Event

Skeletons, black cats, lighted grotesque pumpkin faces, ghosts and goblins lent an atmosphere of traditional Halloween Wednesday evening when members of Wesley-Wed class of the First Methodist church assembled in the social rooms of the church for their annual party.

Members of the class arrived at the party wearing masks and unusual costumes. Prizes for the most typical outfits were awarded to Mrs. Frank Wantz, Mrs. Richard Plum and Mrs. Vernon Blake. Richard Plum won a prize for wearing the most comical outfit.

William Cook was responsible for the unique decorations. He used yellow and black color schemes as the predominating factors for the festively decorated social rooms of the church. Chrysanthemums in cut out pumpkins and other pumpkins bearing lighted candles were used to decorate the tables.

Mrs. George Schaub, president, conducted a brief business session. Mrs. Boyd Stout lead the group in devotions. Richard Plum gave a talk on the significance of Halloween as a religious holiday. Thurman Miller entertained the group with a magic show.

Refreshments in keeping with the theme of the party were served by Mr. and Mrs. William Cook and Mrs. Mrs. Pharo Osborne, chairmen.

Those attending the party included the Rev. Elisha Kneisley, Mrs. Kneisley, Dr. W. L. Sprouse, Mrs. Sprouse, Mr. and Mrs. George W. Van Camp, Mr. and Mrs. George Schaub, Mr. and Mrs. Cook, Mr. and Mrs. Gus Graff, Mr. and Mrs. Roloff Wolford and family, and Mr. and Mrs. David Glick.

Mr. and Mrs. Plum, Mr. and Mrs. Frank Wantz, Mr. and Mrs. Tom Bennett, Mr. and Mrs. Osborne, Mr. and Mrs. Boyd Stout, Mr. and Mrs. Vernon L. Hawkes, Mr. and Mrs. George Wharton and Mr. and Mrs. Vernon Blake.

Calendar

Directors Of Girl Scouts List Future Activities, Events

Mrs. Bernard W. Young, commissioner, Pickaway county and Circleville Girl Scout organization, presided for the regular board of director's meeting Wednesday evening in Scout Headquarters with 12 members present.

At the meeting reports of standing committees were submitted. Mrs. John Gordon, chairman of the program committee, announced the court of awards would be held on November 4, at 7:30 p. m. in the Parish house of St. Phillip's church. She listed the complete program which is being arranged for the evening.

Mrs. Carle J. Snider told the group that at the court of awards, there will be approximately 155 proficiency badges fields of activities will be represented. Mrs. Snider also reported the purchase of books and literature and listed their titles.

Members of the public relations committee gave their quarterly report, noting that three means of informing the public of Girl Scout activities had been used namely, newspaper, exhibits and speeches.

Miss Ruth Stout, training chairman, reported she had interviewed four new leaders and assistant leaders. They are Mrs. Collis Young, Mrs. J. G. Scott, Mrs. Kermit Dountz and Mrs. Roger H. May. Miss Stout announced there will be a general meeting next month for all leaders.

Mrs. William D. Radcliff and Mrs. Barton Deming, troop development members, reported that Miss Jean Agler has been chosen as leader with Miss Edna Bingham, leader of troop number 9. Amelia Lemley will be program aid.

The new Brownie troop number 8, will hold its first meeting in headquarters. Mrs. Doyle Haas, troop leader, Mrs. Frank Susa, assistant leaders and the mothers will attend the meeting along with the Brownies. Troop committee members include Mrs. David Goldschmidt, Mrs. Sheldon Mader, Mrs. Richard

SPICY PUMPKIN PIE

Spicy Pumpkin Pie topped with whipped cream and a bit of honey is a traditional dessert this time of year

By BETTY NEWTON

The scooped-out goodness from the Jack O' Lantern which lighted your front porch on Halloween has lots of possibilities! Spicy Pumpkin Pie will set off any meal these frosty November days. Then a Harvest Spice Cake with Sea Foam Frosting is a different way of using pumpkin. It's light as a feather, and looks almost too glamorous to eat. But carry it to the table in triumph—and it'll become a matter of "try and stop me from having another piece!"

Spicy Pumpkin Pie

2 C. milk
1 1/2 C. strained, cooked pumpkin
2 eggs
1 C. brown sugar
1 tsp. cinnamon
1/2 tsp. ginger
1/2 tsp. salt
1 unbaked pie shell

Mix milk and pumpkin. Beat the eggs until thick, add sugar, cinnamon, ginger, and salt. Add pumpkin. Pour into a pastry lined tin and bake at 450 degrees for 10 minutes and reduce to 350 degrees for 30 minutes. Serve with whipped cream. Make tiny wells in the whipped cream, and pour a spoonful of honey in each well.

Harvest Spice Cake

1/2 C. shortening
1 C. sugar
1 egg
1 C. cooked pumpkin
1 C. all purpose flour
1/2 tsp. baking powder
1/2 C. nut meats
1/2 tsp. salt
1 tsp. cinnamon
1/2 tsp. nutmeg
1/2 tsp. ginger

Cream the shortening and sugar gradually, stir in the well-beaten egg; add pumpkin. Sift flour, measure, and sift with baking powder, salt and spices. Add nut meats. Add to the first mixture and mix well. Pour into an 8x8x2 inch pan. Bake at 350 degrees for 50 to 60 minutes. Top with Sea Foam Frosting.

Sea Foam Frosting

1 C. brown sugar
1/2 C. water
egg white
1/2 tsp. vanilla

Mix the sugar and water. Bring to the boiling point and cook until it spins a thread. Beat egg white until stiff; pour syrup over it while beating constantly. Add the vanilla and beat until thick. Spread on cool cake.

BOOTH FESTIVAL TO BE SATURDAY IN M. E. CHURCH

The annual Booth Festival will be Saturday in the First Methodist church, with 105 members of the Youth Fellowship registered to date for the all day meeting. The local church will be host to Youth Fellowships of the Northwest section of the Chillicothe district which opens at 10:30 a. m. and closes at 3 p. m.

Noon day banquet will be prepared and served by mothers of the children who are members of the Youth Fellowship organizations. Recreation program will be under the direction of Miss Mary Ellen Ellis. Girls sextette of the Circleville high

school will furnish music for the afternoon's program. Guest speaker will be the Rev. Harold McAdow, Columbus. Devotionals will be conducted by the Ashville Youth Fellowship group.

Donations of canned foods and money will be equally divided between the Methodist Children's Home, Worthington, and White Cross hospital, Columbus.

Prizes Awarded For Halloween Costumes At Mt. Pleasant Meet

Members of Mt. Pleasant grange and the Sunday school class had a Halloween and masquerade party Wednesday evening in the social rooms of Mt. Pleasant church.

At the highly successful party prizes were awarded adults and children dressed in the most typical costumes. In the adults group Marion Mowery was selected winner for wearing the prettiest outfit. Floyd Welker and Harry Carter, as a team, won prizes as the prettiest couple. The ugliest single person costume was that worn by Arnold Moats. The prize for the ugliest couple was awarded to Gordon Ruhl and Doris Moats. Myrtle Carter and Cora Welker were the best costumed "twins". Annabelle Mowery won a prize for the most characteristic Halloween costume.

Children at the party won a big share of the prizes for their outstanding costumes. Yvonne Gibson won a prize for wearing the prettiest outfit. Mona and Sue Mowery were named the prettiest couple. The ugliest costume was that worn by Sara Barbara Moss. Leo Moats and Benny Mowery were the ugliest couple. Best costumes for twins were worn by Beverly and Barbara Minor. Connie Newton won a prize for the most characteristic costume in the children's division.

Following the awarding of the prizes, contests and games were played. Fortune telling and a fish pond provided popular diversions of the evening. Refreshments were served at the conclusion of the social meeting.

Egg and milk mixtures are likely to "curdle" if cooked at high heat.

The Beautiful New NORGE

Fastemp
OIL-BURNING HOME HEATER
with "Radio Dial" Volume Control

Now you can have heat in your home whenever you want it—with a compact unit that burns clean, cheap fuel oil. You can turn it on and off as needed, set it for high or low output. In short, you can regulate your home heat as easily as you tune your radio.

More heat delivered because the Norge exclusive L-shaped heat exchanger has 40% more heating surface, circulates more heat faster.

Less fuel used because the exclusive Norge down-draft "Whirlator" tube carries more air for perfect combustion directly into the heart of the flame. The whirling motion of the air results in a perfect vapor mixture and more heat from less fuel.

More fuel saved because the simple Norge burner, without wicks or moving parts, creates a "double fire-pot," gives an exceptionally efficient, low, "fuel-saving" flame.

Get rid of unsightly stoves—throw your ash can in the trash can. Install a compact, fuel-oil-burning Fastemp home heater, and have warmth whenever you want it.

Youth Fellowship Groups Have Gay Halloween Party

Youth Fellowship group of the Calvary Evangelical United Brethren church were hosts to members of the Youth Fellowship of the Stoutsville EUB church for a Halloween party.

The basement of the church was decorated with Halloween characters and colors for the masquerade party. As the guests entered they were greeted by a typical Halloween character. Fortunes were told during the evening by a "gypsy." Costumes were judged with prizes being awarded to Betty Hill, Rachel Drumm and Charlotte Robinson.

Games and contests pertaining to the season were played, followed by refreshments. Committee members responsible for the affair included the Misses Ethel Pritchard, Marilyn Jones, Rachel Speakman, Evelyn

Turner and Lee Barnes. They were assisted by the Rev. James A. Herbst and Mrs. Herbst.

JUNIOR CLASS DANCE

Junior class members of the Scioto township school are planning to sponsor a Halloween dance Friday evening in the school building at Commercial Point. The Columbian orchestra will furnish music for round and square dancing.

OHIO MOTORISTS FEEL PINCH OF GAS SHORTAGE

Dearth Is Spotty—Blamed
On Lack Of Equipment
To Meet Demands

CLEVELAND, Oct. 30.—Motorists in many Ohio cities are finding it necessary to cruise around a little before finding gasoline service stations which respond promptly to the injunction, "fill it up."

While admitting that a serious gasoline shortage exists, a spokesman for the Standard Oil Company of Ohio in Cleveland insisted that it was a "spotty" situation, depending on how far the affected communities are from the refineries.

The Cincinnati area was mentioned as one of the places where motorists were having considerable trouble buying gasoline in the quantities they desire.

INABILITY of the oil industry to build for today's demand during the five years of the war was blamed by the spokesman for the present shortage of all crude oil products.

"What's more," the spokesman asserted, "the situation is not going to improve to any great extent for the next three years."

The spokesman added that "this country has more oil reserves than ever before," so that factor does not enter the picture.

"The oil industry needs new equipment, pipe lines and tank cars to process and transport its products," he said. "For five years there was little or no expansion so that the equipment of 1940-41 can't fill today's demand for petroleum products."

THE SPOKESMAN cited Sohio's efforts to meet current demands in Ohio with the construction of a 10 million dollar refinery at Lima.

"The only thing is that it will take about two years to complete that project," he declared.

Since last Summer practically all of the oil companies have been allocating gasoline and oil on the basis of last year's orders.

"These allocations run out near the end of the month and that probably helps to account for the drained gasoline tanks at some service stations right now," the spokesman said.

"In addition to allocations, Sohio for the past month has been closing its own service stations one day a week in order to conserve supplies."

In a nutshell, the spokesman said that the oil industry has not been able to keep abreast with the increased trend to

gasoline and oil-powered equipment on the roads, the farms, and the rails.

THE END of the vacation-time driving peak will not help to any extent, the spokesman said, because of the increase in the demand for fuel oil for winter heating.

"It's 12 of one and a dozen of another," the spokesman opined. "Increased transportation and manufacturing facilities only will cure the gasoline and oil shortages."

It is said that Mrs. James Monroe spent up to \$100 a night for candles to light the White House.

BETTY CROCKER TELLS:
"ALL YOU HAVE TO DO"
to make light, flaky "pastry overcoats" for
APPLE DUMPLINGS SUPREME

PASTRY FOR 6 DUMPLINGS

- Sift together..... 2 1/4 cups sifted GOLD MEDAL "Kitchen-tested" Enriched Flour
- 1/4 tsp. salt
- 1/2 cup shortening... first adding most of it until mixture looks like "meal" — then cutting in rest until particles are size of giant peas
- 5 tbsp. water... mixing enough to make dough stay together

Round up into ball, let stand few minutes to make easier to roll out. (If desired, divide dough into 2 or 3 parts to make easier to handle.) Roll out dough 1/8-in. thick on lightly floured cloth-covered board. Cut in six 7-in. squares.

NOW... Pare and core..... (6 medium-sized, tart, juicy apples)

Place an apple on each square of pastry.
Fill cavities of apples with mixture of..... 1/2 cup sugar (1 1/2 tsp. cinnamon)

Dot with..... 1 tbsp. butter

BUTTON UP YOUR OVERCOAT

1. Moisten points of pastry square. 2. Bring opposite points up over (Be sure not to use too much water.) apple, overlapping them. Seal well.
Place about 2-in. apart in a 9 x 13 x 2-in. baking pan. Pour hot Syrup (recipe below) around dumplings in baking pan.
Bake immediately 40 to 45 minutes in hot oven (425°).

SYRUP

Boil together for 3 minutes 1 cup sugar, 2 cups of water, 4 tbsp. butter, 1/4 tsp. cinnamon. For less rich syrup, use 1/2 cup each sugar and corn syrup, 2 tbsp. butter, 1/4 tsp. cinnamon, and only 1 cup water. (Or use maple syrup.)

STATE RECORDS LOOK GOOD FOR OHIO BUSINESS

Domestic Corporations Rise
By 3,254 During Year,
Glander Reports

COLUMBUS, O., Oct. 30 — Faith in the future of Ohio business was indicated today in a report by State Tax Commissioner C. Emory Glander that certification of domestic corporations increased by 3,254 during the past year.

Glander said the taxation department had certified 25,000 domestic corporations to State Auditor Joseph T. Ferguson for 1947. Out-of-state certifications also showed an increase, from 2,775 in 1946 to 2,913 this year.

The tax commissioner said that both domestic and out-of-state registrations were still below the peak year of 1929, however. The all-time record was 28,852 domestic and 3,039 foreign corporations.

The average state levy on domestic firms, according to Glander, was \$187.94 compared to \$192.71 in 1946. The commissioner interpreted this decrease as indicating that more small businesses were operating than a year ago.

Levies on out-of-state firms increased from \$601.72 in 1946 to \$682.49 this year, Glander said. This, too, was a sign of health, indicating foreign concerns had confidence in the Ohio business picture.

ALL TOGETHER, the taxation department reported \$6,686,625 in certified franchise taxes, of which \$1,988,107 was paid by non-state corporations.

Industrial Relations Director William J. Rogers released figures, meanwhile, to support Glander's contention that small businesses were growing. A report on industrial operation of Ohio manufacturing establishments in 1946 indicated that, among 10,296 firms reported, 3,519 had less than ten employees.

An additional 4,956 companies had between ten and 99 workers, making a total of 82.3 per cent of Ohio firms which carried less than 100 workers on their payrolls.

Eight large industrial counties contributed more than two-thirds of the jobs. With Cuyahoga county alone employing 22.3 per cent of the workers in 25.1 per cent of the companies, the "big eight" employed 801,991 against only 372,216 for the remainder of the state.

Farmers--- Pick Your Corn Early!

USE BEHLEN ALL-STEEL VENTILATORS IN THE CRIB
TO KEEP IT FROM SPOILING!

- Moderately wet corn can be dried successfully with Behlen ventilators. They permit much greater circulation of air through your corn than old fashioned wooden ventilators. Take up less room.
- MADE OF STRONG WELDED STEEL MESH formed into a round tube with openings or mesh measuring about 1 3/4 inches by 3 3/4 inches. It's all air space, no 2x4's and cross pieces to shut off air circulation.
- NO BOLTS OR FASTENERS. These tube sections of this welded steel mesh interlock and you can use as many as necessary to provide one or more air channels through your corn.
- HORIZONTAL VENTILATION through the corn is effected with Behlen all-steel ventilators. Wind passing around a crib creates a suction. The ventilator lying horizontally in the corn takes advantage of this law of nature and puts the wind to work drying your corn.

USE BEHLEN ALL-STEEL TUNNELS ON THE FLOOR
OF THE CRIB

- Behlen all-steel tunnels are oval sections of heavy gauge welded steel mesh, 18 inches high and 18 inches wide. They are constructed to carry the weight of as much corn as you can pile on them in the crib. Placed snugly end to end on the floor of the crib they make a continuous channel through the corn.

The installation of Behlen Ventilators also prevents heating in hay, both in stacks and in barns.

FARM BUREAU CO-OP STORE

REAR 159 E. MAIN ST.

CINCINNATI

by the Ohio State Employment Service office in Circleville from Ohio Bureau of Unemployment Compensation.

In the notification Frank J. Collopy, BUC administrator, reminded that the penalty provision was written into the unem-

ployment compensation law at the last session of the Ohio legislature. It provides that an employer subject to the law who fails to file his contribution report within the deadline set up by the administrator shall have his contribution sum in-

creased unless such failure is due to circumstances beyond the employer's control. Such an increase—or penalty—it was explained will amount to \$5 for contribution reports that are not more than 30 days overdue plus an additional \$5

for each additional 30 overdue days or fraction thereof. The maximum penalty for a single violation is \$25. The notice said the covered employers throughout the state have been sent letters explaining the new penalty in detail.

TUESDAY IS THE DECIDING DAY

When you vote Tuesday you will vote whether or not Pickaway County's 1948 Fair should be conducted at an unfinished Fairgrounds; should the use of tents and temporary housing for livestock and other agricultural exhibits, be used; should Pickaway county agriculture on which the welfare of all of us depends so much, be encouraged?

Only A Very Slight Concession Is Asked of Our Citizens

Many thousands of citizens attended the 1947 Fair at the unfinished Fairgrounds. Much criticism was heard because of the lack of facilities such as—livestock show rings, water, exhibitors booths, paved roads, grandstand, paved walks, drainage, proper housing of valuable livestock and many others too numerous to mention. "WHY"? The answer is a lack of funds. Those

funds may be obtained only from the taxpayers.

Some persons are asking why money should be spent on a covered grandstand. The answer is that a grandstand is the bread and butter of any fair, here or elsewhere. It will provide funds for other departments. Without it the fair would be doomed

to financial failure, could not be staged except by generous and regular contributions by civic-minded citizens. A new grandstand will give thousands of persons enjoyment and entertainment the year around. It could be rented to road shows, circus troupes, county wide gatherings and provide comfortable seating for harness races and 4-H club reviews.

Would You Deny Progress and Declare We Have Gone Far Enough?

Competition and display opportunities, such as provided by the Fair, open a new market for livestock and encourage improvement of breeds and herds. Farm consignment sales are not now held in Pickaway County, but could be held regularly at the Fairground. As a result much more good stock would be retained in the county. Despite existing handicaps, the farms of the county have made giant steps in good livestock production during recent years. They could have moved faster, would move more rapidly in the future with adequate Fairground facilities.

Vote FOR The Two Mill Agricultural Levy

THE PROPOSED LEVY WILL BE IN EFFECT FOR ONE YEAR ONLY. IT WILL PROVIDE MONEY ABSOLUTELY NECESSARY TO MAKE OUR FAIRGROUNDS ANYTHING BUT AN UNFINISHED PROJECT. WE HAVE ONLY ONE WAY OF RAISING THE NECESSARY FUNDS.

VOTE FOR THE TWO MILL AGRICULTURAL LEVY (For One Year)

COOPERATION OF FARMER SOUGHT IN FOOD SAVING

Special Livestock Programs Aimed To Meet Local Crop Conditions

WASHINGTON, Oct. 30.—The government hoped today that special livestock feeding programs arranged to meet local conditions will enlist the cooperation of farmers throughout the nation in its food-saving drive.

Spokesmen for Food Conservation Chief Charles Luckman said that he is convinced that no general feeding program, applicable to all sections of the country, would result in sufficient grain-saving for foreign relief.

These Luckman committee officials explained that feed conditions vary throughout the country and that farmers in some areas are unable to adopt feeding practices that might work in another section.

As a result, Luckman and Secretary of Agriculture Anderson have asked the land grant colleges to appoint livestock feed committees to recommend specific feed conservation measures in their localities.

In announcing their latest action, both Luckman and Anderson indicated that at least ten million of the 100 million bushels of grain needed for Europe must be saved through reduced livestock feeding.

Meanwhile, the grain-saving program moved ahead on other fronts with these developments:

1. The state department considered Luckman's request that foreign countries be asked to halt exports of Scotch and other whiskeys to the United States during the 60-day shutdown of American distilleries.

2. LUCKMAN scheduled meetings next Tuesday with representatives of the breakfast cereal, flour, corn syrup and other grain processing industries to discuss further conservation measures.
3. The Luckman committee reported that its "consumer education" program is now "in full blast" and that public response to the conservation campaign has shown almost 90 percent cooperation.

O'CONNOR MAY DIRECT SUIT AT CHANDLER

Tight Lipped Ball World Awaits Action By Sox In Player Wrangle

CHICAGO, Oct. 30 — A tight-lipped baseball world waited today for legalistic Leslie O'Connor and his Chicago White Sox to fight the game's high commissioner in the courts.

Baseball men wondered if the Sox would seek an injunction against Commissioner Happy Chandler's enjoining them from signing players, making deals, and otherwise conducting their affairs.

Sox General Manager Leslie O'Connor, practically if not literally suspended by Chandler for refusal to pay a \$500 fine after signing a Chicago high school player, was in an unprecedented spot.

Under the original baseball rule covering high school players, the White Sox had the right to sign 17-year-old George Zoeterman, an ace lefthanded pitcher whose alma mater, Chicago Christian did not belong to the National Federation of State High Schools.

Chandler subsequently amended the rule to cover all high school players. But O'Connor said grimly:

"Neither Commissioner Chandler nor anyone else in baseball has the right to change a rule!"

O'Connor for 24 years was assistant to Chandler's predecessor, the late Commissioner K. M. Landis. The 59-year-old O'Connor helped write many of baseball's conduct canons, and if anybody knows the rules, he does.

BEHIND O'Connor stood the White Sox management with this blast at Chandler:

"The commissioner, in voiding our contract with this player and in fining the club, violated his own rules of procedure, the baseball rule under which he purports to act, and various other provisions of the major and minor league agreement and rules, and also the law of the land.

"He is attempting to coerce the club and Mr. O'Connor into submission to his illegal act. We will resist such coercion to the fullest extent."

Factually, on Sept. 6 Emmet "Red" Ormsby, a White Sox scout, got the green light from O'Connor and signed Zoeterman by paying a bonus of \$2,000 to his father, Peter Zoeterman. Chandler's resultant action in the matter—the \$500 fine against O'Connor and the order voiding the contract—came Sept. 26.

FORTHWITH, the White Sox, along with O'Connor, were enjoined from participating in any baseball activities until the fine is paid.

This means that when ageless shortstop Luke Appling dropped around to sign his 1948 contract yesterday, the Sox were powerless to sign him; it means O'Connor can not participate in the annual draft of minor league players Nov. 10 nor in the annual major league meeting in early December.

JEEPS OVERRUN PAMPAS CLEVELAND, Oct. 30—Ex-GIs might not feel out of place on the vast pampas of Argentina these days, for Argentina has been sold 8,200 jeeps and other units by the Willys-Overland Export Corp. The jeep's four-wheel drive mobility makes it a big asset in the interior of Argentina, where roads are poor.

Drury Lane, London, England, takes its name from the Drury family. Drury House stood on the site of the present Olympic theater.

THEY'LL DO SKATING FOR UNCLE SAM IN OLYMPICS

HOPES of Uncle Sam in the skating events of the 1948 Olympics will rest on this quintet of champions, working out in New York. The five are (from left) Yvonne Sherman and her partner Robert Swenning, doubles champs; Gretchen Merrill, U. S. individual figure skating queen; Dick Button, U. S. and North American champion; and Eileen Seigh, winner of the 1947 award as the "most artistic skater in the United States."

TIGERS SET FOR MARION HARDING

Local Gridders Hopeful Of Gaining Victory Over Worthy Opponent

Completing a week of intense work in preparation for the Marion Harding contest Friday night, at Marion, the Tigers were pronounced ready for the game.

All of the boys who suffered injuries in last week's Greenfield-Circleville game will see action with the exception of Wesley Hill who is out for the rest of the season due to a cracked bone in the left forearm.

The Tiger practice sessions

this week have been very rough and have stressed blocking and tackling, two departments in which they were woefully weak last Thursday.

The coaching staff feels that the team has at last picked itself up off the floor after suffering a slump which saw them drop two consecutive games.

Deady blocking and teeth-rattling tackles have been in evidence all week as the boys got down to work in the hope of upsetting the highly-touted Marion Harding "Presidents".

Advance information from the Marion bailiwick indicates the host team will be big and rugged. This should not have any effect on the Tigers as they have been outweighed by opponents in nearly every contest this season.

Adding to the color of the contest is the fact that it will be played on Halloween night and perhaps the Tigers can take over

the role of pranksters and upset the "Presidents".

This contest has also been designated as Homecoming at the Marion school with appropriate ceremonies being presented at the halftime intermission.

George Washington, "father of his country" and first president, was a fourth generation American.

ATLANTA

Mr. and Mrs. Omer Clark and children visited Sunday afternoon at the home of Mr. and Mrs. John Fields and children, South Charleston.

Mr. and Mrs. Donald Graves and children entertained the following guests to a fish supper at their home Thursday evening: Mr. and Mrs. Richard Orr and daughter Patty; Mr. and Mrs. Vernon Huffman and family; Mr. and Mrs. Mack Graves; Mr. and Mrs. Ben Kerns.

Mr. and Mrs. Woodson Furniss, Orient, and Mr. and Mrs. Wilson Dotson and son Darrell, Galloway, were guests Sunday evening of Mr. and Mrs. George Slager and family.

Mrs. Earl Armentrout was hostess at a family dinner Wednesday evening, honoring her house guest, Mrs. Rose Erdman, Chicago, Illinois. Other guests were Mr. and Mrs. Marvin Orihood and children Eddie and Sharon, New Holland; Misses Kay, Jeanie and Marilyn Armentrout, Mr. Armentrout, Mr. and Mrs. Glen Zimmerman, Jack and Robert Armentrout.

Here's Post-war Power for Pre-war Buicks

A brand-new 1947 Fireball engine puts today's Sparkling Zip into your 1937-1942 Buick

If you've been itching to get the thrill of a power-packed 1947 Buick engine under your treadle toe, here's the quick and happy solution.

It's a factory-fresh Fireball engine right off the 1947 production line. It's exactly the same mighty package of power that goes into the flashing new Buicks. You can get it now to repower any Buick built in the last ten years.

How can we do it—when new

cars are so hard to get? Here's the answer:

While shortages of bodies and other parts slow up completed cars, Buick engine production has forged ahead. So engines are available now—ready to go into your car and step it up with today's up-to-the-minute power performance.

And it's as simple as this: We take out the old engine—put this new one in its place—and your car's young again, rarin' to go, with a new lease on life and

headed for thousands and thousands of miles of smooth, spirited service.

It doesn't take long—far less time than a thorough overhaul—and often at less cost. Convenient payments can be arranged, if you like.

It's the next best thing to getting a new Buick—and a good investment because it makes your car worth so much more.

Certainly well worth while looking into, isn't it? Come in and let's talk it over.

DURN FURINERS TO GRAB MOST OHIO FANFARE

Navy And Notre Dame To Clash Saturday In Cleveland Bowl

By International News
A couple of durn furiners will steal most of the fanfare from Ohio college events this weekend. That would be Navy and Notre Dame, of course, when they clash in Cleveland's lake front stadium Saturday.

Not even a close second will be Ohio State and Indiana, who play at Columbus in what has been dubbed the Futlity Bowl. Neither the Bucks nor the Hoosiers is throwing much weight around in the Western Conference, yet more than 76,000 fans are expected.

The Buckeye state's only undefeated and untied teams, Findlay and Denison, both are away from home this week.

Findlay meets its strongest foe of the season and the only real obstacle to an unbeaten season, Bowling Green. The Falcons have broken even in six games of a suicide schedule. Denison's Big Red seeks its sixth straight against a Muskingum team that figures to be on the rebound after suffering its first loss a week ago. Wooster, 16-to-13 conqueror of the Muskies, lost to Denison, 28 to 0.

MIAMI possessor of four victories and one tie, travels to Bradley in one of four intercollegiate games on the schedule for Buckeye schools. Others, in addition to the Ohio State-Indiana fracas, bring Ferris Tech to Cedarville and Oklahoma City U. to Youngstown.

The Denison - Muskingum game is one of nine played by the Ohio conference in its busiest weekend to date. John Carroll, the conference leader, seeks its fifth straight league win at Kent State.

Other conference games: Baldwin-Wallace at Toledo; Mt. Union at Ohio Wesleyan; Heidelberg at Ohio Northern; Oberlin at Wooster; Ashland at Kenyon; Marietta at Wittenberg and Capital at Otterbein. In the mid-American conference, Cincinnati U. seeks to beat a longtime jinx by winning a game on Ohio U.'s own field. The Bearcats led, 19 to 0, at halftime two years ago, at Athens but wound up losing the game, 20 to 19.

Other games: Friday, Ohio U. "B" at Rio Grande and Western Reserve at Akron; Saturday, Lincoln at Wilberforce; Xavier at Dayton; Defiance at Wilmington and Hiram at Steubenville.

BUCKS TO TAKE TO AIR FROM HERE ON OUT

COLUMBUS, O., Oct. 30—Ohio State's Bucks, largely ground-bound this season, planned today to take to an overhead game from here on out.

Indiana, Saturday's Buck opponent has thus far been more vulnerable to passes than on the ground. Moreover, Wes Fesler's OSU eleven has achieved a notably lack of success while plugging along with a rushing game.

Since Indiana also does a lot of throwing, the air may be full of passes Saturday.

Fesler has practically decided not to use halfback Bob Brugge in the Hoosier contest. Brugge showed flashes of old form two weeks ago against Iowa, but was hampered last week by a chronic leg injury.

LITTLE JUDY PROVES TO BE CONSISTENT PACER

AURORA, Ill., Oct. 30—Little Judy, 4-year-old black mare owned by Ralph Goss, Columbus City, Ind., was hailed today as one of the most consistent pacers to show at the Aurora Downs harness program.

The mare, with William Beatie driving, finished first in both the mile and the mile and one-sixteenth race last night.

Little Judy received close contention in both events from Jack Mills, which finished second in each race. Jack Mills had Peeewe Welch, Columbus, O., schoolboy, in the sulky.

BIG is the word for this cager. Ephraim Rocha, former Oregon State star now with the St. Louis Bombers in the Basketball Association of America. He's a mere 6 feet 8 1/2 inches. (International)

BIG SUSPENDERS MAY BE FACING REAL TROUBLE

By BILL CORUM
NEW YORK, Oct. 30—When Happy Chandler, the "big suspenders" of Kentucky, tangles with Leslie O'Connor on the rules of baseball, he's playing cards with Hoyle.

The general manager of the Chicago White Sox and former adjutant of the late Judge Landis knows the laws that govern baseball better than any man alive. He should. He wrote many of the rules, including the one under which the commissioner has suspended him.

If what happened when Happy imposed his first fine on the head of a major league club is a criterion here, there will be no lawsuit. But neither will the fine be paid.

Our memory is that Happy fined Sam Breadon \$50,000 for visiting the Pasquels in Mexico without getting the permission of the commissioner to do so.

Like O'Connor, Breadon refused to pay. While the matter hung fire, there was a joint committee meeting of the major leagues scheduled. The owner-president of the Cardinals showed up at the meeting.

Had the representatives of the 15 remaining clubs been so minded they could have sustained Chandler.

They were not so minded. I seldom have known anybody who seemed to enjoy being on a spot more than Happy. Why, I find it hard to understand.

Does he think that somebody is going to go on making fifty-thousand dollar a year job for him forever just to hear him sing, "My Old Kentucky Home?"

AUTOPSY ORDERED IN SAILOR-BOXER'S DEATH

PASADENA, Cal., Oct. 30—An autopsy was ordered today to determine whether a heart condition was responsible for the ring death of Pharmacist's Mate James Wilander, 24, who died last night during an amateur bout in Pasadena.

Wilander was floored for a seven-count in the first round. In the fourth round, he unexpectedly collapsed. A fire department inhalator squad failed to revive him.

Wilander, attached to the U.S.S. Frontier, U. S. naval sta-

Luther Takes Over At Reserve After Ouster Of Head Coach Davies

CLEVELAND, Oct. 30—Cleveland's Western Reserve university football squad was under the mentorship of line coach Richard Luther today following dismissal of Tom Davies, head coach since 1941.

Davies was fired by the university's athletic council yesterday, five days after Davies first submitted his resignation, to be effective at the close of the season. The committee, headed by Dr. Earl Shoup, voted to relieve Davies of his duties immediately.

In announcing the committee action, Athletic Director Bill Councill issued a written statement which read:

"In view of the premature announcement of Tom Davies' resignation as head football coach, the athletic committee voted unanimously to release him from further responsibilities as of today. He will, however, be paid his full salary."

LUTHER and Malcolm Mackey, backfield assistant, were advanced as successors by the Reserve players at a special meeting Tuesday following first public word of Davies' resignation. The players said they did not want to play under a coach who already had resigned.

Luther had been a line coach at Reserve in 1942 and again last year after serving in the Navy. Following his appointment, Luther said, "we don't plan any radical

CLEVELAND PREPARES FOR GRID FAN INVASION

CLEVELAND, Oct. 30—Cleveland girded itself today for the invasion of the first of an estimated 35,000 fans who will visit the city for the Notre Dame-Navy clash in the stadium Saturday.

Several special trains were scheduled to arrive tomorrow, including one bearing 2,000 Notre Dame students.

Hotels reported rooms booked solidly weeks in advance. Residents were urged to make private rooms available for the out-of-towners. Restaurant and bar owners anticipated the heaviest business in years.

More than 125 extra policemen will be pressed into service to cope with the traffic problem. A crowd of more than 84,000 is expected to witness the traditional battle.

tion, San Diego, Cal., was boxing with Bobby Harris of Huntington Park.

From where I sit... by Joe Marsh

Sam's a
Matrimony Expert

Sam Abernathy never intended to be a matrimony expert, but he hit the nail on the head the other day when he said:

"What marriage really needs is more open minds and a lot fewer open mouths."

Sam may not think much of his missus' choice of hats or her habit of serving watercress and cream cheese salad. But he keeps his mouth shut (I mean, he just uses it to eat the salad). And the missus never criticizes Sam's affection for that worn-out chair before the fire.

and his mellow glass of beer and pipe at the end of a long day.

From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

Joe Marsh

IRISH MAY NOT BE BEST BUT KEEP A-COMIN'

Leahy's Young Men Getting Ready To Try To Be Tops In Nation

NEW YORK, Oct. 29—It is reasonable to assume that there is a reasonable amount of interest in the Notre Dame team, which currently is rated No. 1 in the country.

We know one gentleman who would like to believe that the rating was true. His name is Leahy.

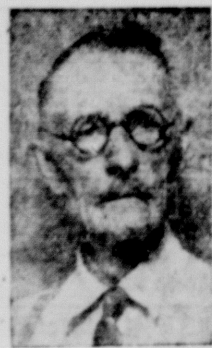

Leahy is a fellow who does not play football for fun and who does not believe that jolly, well-bowled-old-boy is quite the way to toughen for a man's role in a tough life.

The chances are that the majority of football fans don't know that Frank Leahy no longer lives in South Bend. Rockne lived there. So did Layden. So did Leahy once. No more.

Now Leahy lives in Niles, Mich., which is 30 or 40 miles from the Notre Dame campus. And a story goes with that.

The story is that Mrs. Leahy grew not only a little tired but also a little fearful about her husband slipping away from his home at night and going back to his office to work at his job of trying to make his work as near perfection as possible.

A mile or so from his office was one thing. Thirty miles was another thing. He still stays, I'm told, so late in his office that his light is the last one burning

In pursuance of an order of the Probate Court of Pickaway County, Ohio:

We will offer at public sale on the 22ND DAY OF NOVEMBER, 1947, on the premises at Tarlton, Ohio:

The following described real estate situated in the Village of Tarlton in the County of Pickaway and State of Ohio.

Being Not Number 7 in Square Number 12 and situated on the North side of Main Street in said Village.

Said premises were appraised at \$1300 and can not be sold for less than the appraised value thereof and for cash 10 per cent on day of sale and balance upon confirmation of sale and delivery of deed. Possession given upon delivery of the deed.

Sale of real estate to be held at 2 o'clock P.M.

Upon the same day and upon the premises beginning at 1 o'clock P.M. we will offer for sale one lot of household goods belonging to said estate consisting in part of stoves, beds and bedding, carpets and rugs, kitchen utensils, silverware, chairs both straight and rockers, silverware and a lot of other household goods of every kind and description.

Sale of personal property to be for cash.

LETTIE KIGER and **CLARENCE BARR**, Admsrs. Leist and Leist, Attys. Paul Barr, auctioneer.

Dix Davis, featured player on "A Date With Judy," will be graduated from University of Southern California next June.
Penny ("Blondie") Singleton, of the Sunday CBS "Blondie" show, has a large collection of fine handkerchiefs sent to her by admiring fans.
Leading lady Paula, of CBS' "The Whistler's" episode entitled "A Case for Mr. Carrington," was Mary Jane Croft, famous otherwise as the comedienne "Harriet Woodley" of the Sunday CBS "Blondie" shows.
Harold Peary, star of NBC's "The Great Gildersleeve," in the early days of radio played as many as eight characters on one program.
Wilbur Hatch, musical director for CBS' "Screen Guild

Players," is a graduate of the University of Chicago.
Lassie, Technicolor dog star of M-G-M, is under a 5-year contract to Metro and a 52-week renewable contract for her Sunday ABC Lassie Show.
The uncertain wine market is the cue leading to the dropping of the option on "Suspense" by its current CBS sponsor. Nothing definite has been announced as yet, but the report from Hollywood to that effect is a strong one. However, if the client gives up the series, several others are

said to be standing in line with bids.
Although it has been on the air 19 years, "American Forum of the Air" only now gets its first sponsor. Starting date for the commercial credits (Pilot Radio) over MBS was Oct. 28.
Tom McKnight, writer and producer, has been signed as director and script editor of "Beulah," which will replace "Mystery of the Week" over CBS five times weekly. Lillian Randolph, heard on the "Amos 'n' Andy" and "The Great Gildersleeve" programs, is in the running for the title role. Another is Ruby Dandridge.
Phil Baker is in New York to talk, of all things, with the agency for whom he formerly headlined "Take It Or Leave It" about replacing Eddie Dowling as emcee on "The Big Break."

George Wright has signed June Darrow, Eve Young and Liza Morrow as soloists for his Monday (Maytag) programs.
Hollywood sources say that Hedda Hopper, the movie columnist, has two different sponsors interested in bringing her to the microphone. Ideas on the shows are being submitted now by her business manager.
Jean Hersholt, president of Screen Guild, which sponsors "Screen Guild Players" on CBS Monday nights in association with a cigarette company, will be given a big party in Hollywood Nov. 5 to commemorate

ten years of starring in his own series, "Dr. Christian." Most of radio's stars will be in attendance.
"The Buddy Rogers Show" has a dicker on with Henry Kaiser, pointing up the increased automotive activity in radio and television.
The child born today will need kind but firm guidance in early years if sorrow and ill-health are to be avoided in later life, a passionate nature being strongly evidenced.
Every one in maestro Percy Faith's family plays a musical

instrument, including his wife, son and daughter. Jay Jostyn ("Mr. District Attorney") is being flooded with requests for radio guest shots—even from disc jockeys!
William L. Shirer, 1946 George Foster Peabody award winner, will begin his series of weekly Sunday commentaries over the coast-to-coast Mutual network on Nov. 30.

HUNTERS URGED TO LEARN RULES BEFORE SEASON

Rabbits Next Of Game To Face Blazing Guns Of Ohio Nimrods

Rabbit-hunting season will begin Nov. 15 and will end Dec. 13 with the legal daily limit 4 killed and 4 in possession.

The ring-neck pheasant season will open Nov. 15 and end Nov. 22, with a daily limit of 2 cock birds and 2 in possession. The ruffed grouse season is Nov. 15 to Nov. 29, daily limit 2, possession 2. Raccoon open season Nov. 15 to Jan. 15, daily limit 2, possession 2.

For opossum the open season runs from Nov. 15 to Jan. 15 with no bag or possession limit. The open season on mink and muskrat is Nov. 15 to Jan. 15, with no bag or possession limit. There is no open season on skunk or Hungarian partridge.

The hour of 9 a. m. Saturday, Nov. 15, will be important for scores of Pickaway county hunters who already are preparing for the opening of the 1947 hunting season.

Lester C. Bailey, Columbus, law enforcement chief of the Ohio Division of Conservation, urged hunters Thursday to acquaint themselves with the rules and regulations before the hunting season opens.

Rabbits, pheasants and ruffed grouse may be lawfully taken only between 9 a. m. and 4 p. m. on each day of the open season including the opening day. Traps may be set at 9 a. m. on the opening day. The regulations stipulate that raccoon shall not be taken with gun or dog before 6 p. m. Nov. 15 and thereafter during the open season only between 6 p. m. and 6 a. m.

A RESIDENT hunting and trapping license may be purchased for \$1, plus the 25-cent fee. The license must be displayed on the back of the outer garment while the hunter is engaged in hunting or trapping. All persons, regardless of age, are required to procure a license to legally hunt or trap excepting owners of land who have been residents of the state for one year, or tenants or children of tenants, or manager, if having resided within the state for one year, residing on such lands. These may hunt or trap on such owned or managed lands without a license.

The regulations state that all persons under 16 years of age using firearms to hunt must be accompanied by an adult.

The waterfowl season began Oct. 21 and will continue through Nov. 19 but thus far there has been virtually no hunting because of warm weather. This includes ducks, geese, brant and coot. Bag limits generally are 4 ducks a

MAINLY ABOUT PEOPLE

ONE MINUTE PULPIT
Keep thy tongue from evil, and thy lips from speaking guile.—Psalm 34:13.

Lawrence Brinks, Logan street, was undergoing medical treatment Thursday in Berger hospital to which he was admitted Tuesday night.

Dr. W. R. Hoffman, Kings-ton, Ohio, will be in his office, Tuesday, Thursday, and Saturday evenings. —ad.

Nell Laney, Circleville, who underwent a tonsillectomy in Berger hospital, was removed Wednesday to her home.

More than two hundred varieties of cacti, sedums, crassulas and succulents to choose from at Brehmers. Bring your empty novelty containers. No charge for planting. —ad.

Mrs. Robert Funk and infant daughter were removed from Berger hospital, Wednesday, to their home at 235 North Scioto street.

L. M. Butch Co., Jewelers, will be closed all day Friday to complete remodeling and prepare for formal opening which will be at noon Saturday. —ad.

Jerry Robinson, 3, son of Mr. and Mrs. Richard Robinson, who underwent a tonsillectomy in Berger hospital, was removed Wednesday to his home at 103 Reber avenue.

Elect Harry B. Timmons Constable. —ad.

Community Band will hold regular practice at 8 p. m. tonight. A sponsor for the band will be discussed.

\$10 reward will be paid for information leading to identification of person who shot holes with rifle or Beebee gun in

day and 8 in possession. Hunting hours are from sunrise to one hour before sunset. Woodcock may be taken from 30 minutes before sunrise to sunset only.

Migratory birds may be taken with bow and arrow or with a shotgun not larger than 10 gauge, fired from the shoulder and without a silencer, and shall not be taken with or by means of any automatic-loading or hand-operated repeating shotgun capable of holding more than three shells.

SCHOOL CHIEF VIEWS SURPLUS WAR MATERIAL

J. Wray Henry, Circleville High school principal, said Wednesday that he and Fred Watts, High school instructor, inspected at Cincinnati Tuesday war surplus electronics equipment offered free by Uncle Sam through the war Assets Administration, to High schools.

The materials offered, he said, were not suited for use in the science department at the Circleville High school. He added, however, that additional materials will be offered later and that on a subsequent trip to Cincinnati suitable equipment will likely be obtained. Previously the school obtained free equipment from the government in this manner.

The WAA on Tuesday offered items valued at \$24,000,000 on a "come and get it" basis to schools in 36 states in the eastern part of the country, free excepting for the cost of handling plus freight charges.
